

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	6-8 Middle	Principal:	Maria Newton-Ta'Bon
Enrollment:	775 students	Superintendent:	J. Frank Baker
School Phone:	803-481-8519	Board Chair:	Daryl McGhaney
School Website:	http://fms.sumterschools.net/		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

At Furman Middle School, the faculty and staff are committed to developing the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing challenging opportunities for all students to be successful in a safe and caring environment. Students, parents, faculty, staff and community members support each other in our endeavors to achieve this goal. Implementation of the Professional Learning Communities (PLCs) and personalized school professional development play an intricate part in our learning environment for students and teachers. Tutoring for mathematics and English language arts allowed for one-to-one and small group instruction. A STEM after school program provided academic support to thirty male athletes. Single-gender classes continued in ELA and mathematics in 6th-8th grades to address the different needs, learning styles, and interests of students. Parents continue to take advantage of parent conference nights, provided to discuss academic progress and growth of each student. The increase in parental involvement allowed us to be recognized as an Oak Leaf Award Goal recipient for meeting the 2014-2015 membership goal assigned by the SCPTA. Furman is known as a Silver Oak Leaf Association by PTA. At Furman Middle, we participate in various programs outside the academic world to focus on the development of the whole child. Our students, parents, faculty and staff give monetary donations to organizations seeking cures for diseases. Furman received special commendation from Mayor McElveen Jr. in recognition of outstanding participation by donating 65 dozen cookies in the "Shower Shaw with Cookies" project. Twelve students were honored by the Sumter Chamber of Commerce during the Golden Apple Award breakfast which recognized good character and outstanding citizenship. Student recognition was held every month for those exemplifying the character education word of the month. Community officials were invited to add a special touch by giving words of encouragement, award certificates, medallions and gift cards to students. We continue to show our appreciation to our community and parent volunteers by providing a special volunteer luncheon. At Furman Middle we believe the continued collaboration between school, family, and community is imperative to the success of our students. Thank you for all of your support in helping in the development of our future South Carolina graduates and world leaders!

Maria Newton-Ta'Bon, Principal

Robert Pumphrey, School Improvement Council, Chairperson Evaluations by

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
